

IISF 2025: BIT Wardha Ranks 1st with Maximum Selections and Wins Three Awards

Bajaj Institute of Technology (BIT), Wardha achieved a remarkable national milestone as three student teams from the institute received awards at the prestigious 11th India International Science Festival (IISF) 2025, held at Panchkula, Haryana recently. Competing against an exceptionally large and diverse pool of over 40,000 participants from India and abroad, BIT Wardha's teams delivered outstanding performances to secure top honours. Team Kisan Saathi won First Prize in the Agriculture and Food Security category, while Team Nexon and Team Shakti jointly secured First Prize in the Education and Skilling category, bringing national recognition to the institute. Notably, BIT Wardha had earlier ranked 1st at the All-India level by securing the maximum number of finalist selections—eight teams—in IISF 2025, further reinforcing its strong innovation-driven academic ecosystem.

The India International Science Festival 2025, organized under the national vision of "*Vigyan Se Samruddhi: for Aatmanirbhar Bharat*", served as a global platform celebrating science-led growth and innovation for a self-reliant India.

All three winning teams comprised third-year Computer Engineering students of BIT Wardha, who demonstrated exceptional technical depth, creativity, and real-world problem-solving skills.

These teams were mentored by Prof. Sheetal Kale, Mr. Abhishek Kinhekar, Mr. Vikas Palekar, and Dr. Amol Jumde, while Assistant Professor Sandesh Jain played a pivotal role in coordinating the IISF activities at the college level and facilitating smooth participation in the competition.

Congratulating the students, Dr. Narendra Kanhe, Principal of BIT Wardha, lauded their achievements and stated that the success at IISF 2025 reflects the institute's strong focus on innovation-driven education, interdisciplinary learning, and real-world problem-solving. Chairman of Shiksha Mandal, Shri Sanjay Bhargava, also congratulated the winning and participating students, expressing pride in their national-level accomplishments and reaffirming Shiksha Mandal's commitment to nurturing scientific temper, innovation, and excellence among youth. Faculty members and Heads of the Departments of BIT Wardha also extended their congratulations to the students for this remarkable achievement.
